Lunch Buddy Program

Volunteer Opportunity - Searching for Paw

Pals - We are looking for community members to spend lunch and recess with the 3rd and 5th grade classes. Through a grant from the children's coalition, adult community members can be mentors to groups of students during lunchtime. The grant money will buy lunch and you can provide the time to show students we want them to succeed. Call the office for more information and sign up today.

Twin Day

Students dressed up as twins on Feb. 12, to celebrate friendship and have some fun at school. Prizes were awarded by student council to "twins" at each grade level. The student council looks forward to sponsoring student activities throughout the school year. Get your "green on", March 17, for St. Patrick's Day, and join in the fun.

Read Across America Week

Who is your favorite book character? How many Dr. Seuss books have you read? These are just a few questions that will be answered March 2-March 6, through daily activities to encourage reading in honor of Dr. Seuss' birthday March 2. Look for a schedule of the week's activities and come join in our reading fun!

School Carnival

The school carnival was a fun evening provided by the PTO. Thank you to all the volunteers who helped make the evening fun and successful. Funds earned will help to provide the Yellow Dyno Safety Program to all our students. This program has proven strategies to help protect children from being lost, abducted, abused and/or victimized.

Missoula Children's Theatre

Robin Hood is the play, and acting is our thing! Performances are Friday, 2/27 @ 7pm and Saturday, 2/28 @ 3pm. MCT will host The History of Comedy assembly on 2/26 at 10am.
