

Husky Pup Highlights

October 2014

CELEBRATIONS

The Back-to-School Assembly gave all students a chance to meet teachers and classes through introductions and team-building activities. Mrs. King's fourth grade presented a great acrostic full of positive attributes about their class. Every student participated in a group to make the longest toilet paper chain, and winning groups earned a popcorn party.

Congratulations to the 3rd and 5th grades for returning all of their parent handbook forms in first, earning them a pizza party.

EVENTS

Back-to-School Night was held on Sept. 18th. Families began the evening with a hot dog dinner followed by general introductions and class visitations. Parents and staff created a "BE" wall of inspiring attributes for our students, and all students were given a Husky Brag-Tag. We ended the evening with a free book drawing for students in each classroom.

5th and 6th grade volleyball and football are underway. Students have played their first games and are learning the rules of the game and value of teamwork.

SAFETY

Kelso's Choice, a conflict management program used at school, was introduced with 'big' and 'small' problems. Students will learn and review conflict management techniques and when to tell an adult.

Buster the Bus came from ODE and reminded students about bus safety. Grades K- 4 were entertained and informed with the animated bus robot.

Bus Safety instruction was also held by Mid-Columbia Bus on the morning of Sept. 23rd. That day we also held our first school fire drill. Student safety is a top priority at Sherman Elementary.

THANK YOU'S

A special thank you to Donna Birtwhistle for her tireless effort to maintain the garden over the summer and harvesting produce to share with the Senior Center meal program.

A special welcome and thank you to our volunteers who have stepped up already this year; Shiloh's mom, Nicole Henry, Peyton, Austin and Dakota's mom, Laura Miller, Jed Harrison's grandma, Mary Macnab, Levi's grandpa and grandma, Dick and Arlone Stradley and Taylor's mom, Amanda Payne.
